# A friendly & gentle display font.

With its soft and triangular serifs and its round shapes, Ilya FY is a friendly and gentle display font.

Standing tall with ascenders reaching skyward and descenders extending gracefully below the baseline, it boasts a unique charm. Its single storey a, generous uppercases, and other nice details give Ilya FY a singular look if you need a fresh and original typographic friend for your posters, signage, headlines and logotypes.

With an extensive collection of diacritics, meticulously crafted to accommodate Latin plus support including Vietnamese and Arabic transliterations, this font seamlessly adapts to diverse linguistic needs.
