Modern & low-contrast serif font.

Canberra FY is a contemporary and low-contrast serif typeface that shows legibility with personality. Its asymmetric and short serifs render a versatile look, always usable and friendly.

As Canberra FY is very legible with its book style in small sizes, the charming bold and black are good companions for headings.

This wide range of weights enables actual editorial use and hierarchical type-setting. Perfect for all types of communication materials, paper or web, pocket size or large format.

Letters ‘a’, ‘e’, ‘g’, ‘v’, ‘w’, ‘y’ have rounded alternates, opening up the possibilities for more casual settings.

Canberra FY comes out in 6 weights & its italics.

15pt

Canberra FY is a contemporary and low-contrast serif typeface that shows legibility with personality. Its asymmetric and short serifs render a versatile look, always usable and friendly. As Canberra FY is very legible with its book style in small sizes, the charming bold and black are good companions for headings. This wide range of weights enables actual editorial use and hierarchical type-setting.

12pt

Canberra FY is a contemporary and low-contrast serif typeface that shows legibility with personality. Its asymmetric and short serifs render a versatile look, always usable and friendly. As Canberra FY is very legible with its book style in small sizes, the charming bold and black are good companions for headings. This wide range of weights enables actual editorial use and hierarchical type-setting. Perfect for all types of communication materials, paper or web, pocket size or large format. Letters 'a', 'e', 'g', 'v', 'w', 'y' have rounded alternates, opening up the possibilities for more casual settings. Canberra FY comes out in 6 weights
